Lead International Trends

SAMARTH LOCK INDIA, is a leading manufacturing of bus body components. It established 1989 & ISO 9001 : 2008 certified. It designs, develops and manufacturing auto door and window handles, window locks, locking , Key locks, door latch assy, for various type of vehicles. We have establish year of solid grounding in exporting quality locks as we are working with a single minded motto of excellence in quality at competitive prices to our customers, satisfy them to their full.

Samarth lock India has achieved a leading place in the related industry 60% of products are exported to more than 50 countries (Like Middles East, Africa, Germany and Asian Countries) with high Quality and low price. We enjoyed wide popularity among the customers both at home & abroad.

SAMARTH is our trusted brand. We always look for opportunities to acquire new technologies and advanced products to service our customers & welcome worldwide esteemed customers to visit our plant & give their valued suggestion any request for new products development based on sample and drawings.

Samarth Lock India is a parental company of Mr. Ashok Mittal. In 1989 He established a manufacturing company of Locks in order to provide quality hardware accessories. He had a vision of providing premium services at lower costs and tried hard to achieve this with his continuous efforts. Finally Samarth Lock became one of the best automobile accessories providers.

In 2003 Deepesh Mittal became Managing Director of the company. He came up for establishment of some quality standards to focus on our business continuity plans in a much more pragmatic way. Now a days he is focusing on import/export plans and quality assurance standards to excel in industry.
